USA 2024-SB

Semi-Automatic Case Sealer

An Efficient Semi-Auto Case Sealer

- + Handles a wider range of cases
- + Twin 1/3 HP motors for 24/7 operation
- + Dual column for maximum stability
- + Slide & lock upper head simplifies set-up
- + Process cases as low as 2" tall
- + Left or right handed compatible

The USA 2024-SB sealer is an adjustable and operator fed machine that can process same sized RSC style cases. This sealer comes outfitted with a HSD 2000-ET II tape head with adaptive technology to provide optimal tape application and wipe down to each of the three taped panels of the case.

* Available in food grade 302/304 stainless steel and NEMA 4 electrics with stainless steel HSD 2000-ET II taping heads.
