Baler Twine

Synthetic Baler Twine

CWC Harvest King™ synthetic baler twine is made from tough polypropylene fiber with additional bulk, for improved performance and handling. Designed to be easy on hands and machinery parts. High UV inhibitors. Available in knot strengths of up to 650 pounds, and in a variety of colors.

Features:

- Designed for forage balers
- Resistant to abrasion and UV light
- Soft & flexible tangle-free construction for smooth operation
- Additional colors available by request

Round Bale

Item #	Length	Knot	Color	Tubes	Weight	Pallet

Silage Wrap

CWC silage wrap is a highly reflective polyethylene barrier film that offers excellent UV resistance and excellent nutrient protection. Seals in moisture and seals out air. CWC also carries silage repair tape, for patching holes & tears.

Features:

- Fights UV breakdown
- Good resistance to punctures and tears
- Repair tape available

Item #	Description	Width	Gauge	Length	Weight
052550	Silage Wrap	20"	1.0 mil	6000'	41 lbs
052535	Silage Wrap	30"	1.0 mil	5000'	61 lbs
052710	Repair Tape (16/Ctn)	3"	1.0 mil	180'	26 lbs

Baler Net Wrap

Continental Western Corporation's baler net wrap holds bale shape, helps shed water, and can be used in conjunction with stretch wrap for securing hay or silage. Strong and tear-resistant, this wrap resists breakdown caused by prolonged exposure to sunlight.

Features:

- Holds bale shape securely
- UV resistant for outdoor storage
- Strong flexible polypropylene construction

Item #	Description	Width	Length	Weight
052420	Stretch Net Wrap	48"	9840'	73 lbs

052450	Stretch Net Wrap	67"	7000'	72 lbs

Sisal Tying Twine

Used in many jobs that require the strength and pliability of natural fiber. This twine contains no oil or fungicide treatment. Used as a general-purpose shipping and tying twine.

Features:

- Light to medium duty, versatile
- Forms tight, strong knots
- Used by nurseries and landscapers to secure plants
- Oil and fungicide free

Polypro Cal Truck Rope

Made from durable polypropylene, this rope offers long-lasting color, good strength and minimal stretch. Excellent resistance to oil, rot and most common chemicals. High strength, low stretch and good resistance to abrasion and UV light. This rope floats and will not absorb water.

Features:

- Conforms to CA Highway Patrol standards
- Orange surface marker in each strand
- Other colors available

12 Strand SuperMax® ATV Winch Line

SuperMax® ATV Winch Line is an ultra high molecular weight (UHMWPE) fiber braided with SK75 Dyneema® fibers. Stronger than wire rope of same diameter, and is 1/8 the weight, this rope has superior strength, floats and has an elongation break at 4-5%. Superior abrasion resistance. Easy to splice.

Features:

- Galvanized thimble on one end for towing
- Very low elongation
- Non-kinking and non-rotational
- Non-thimbled SuperMax® also available in a variety of diameters.

059027	Extra Heavy	1"	12 mil	100'	48

Pallet Netting

CWC pallet netting is used for wrapping any items that require ventilation or need to cure and cool down before shipping.

Features:

- Strong net provides excellent load-stability
- Stretches up to 100%

Item #	Description	Width	Length	Weight
053251	Hand Grade Net	20"	3000'	10 lbs
053150	Machine Grade Net	20"	10000'	33 lbs
053310	Machine Grade Net	30"	10000'	38 lbs

Bundling Stretch Film

CWC bundling film is quicker and more economical to use than strapping or tape for bundling items for shipment.

Features:

- Film will not leave a residue on products
- Quiet and clear cast film
- Great for smaller shipments

Item #	Width	Gauge	Length	Type	Units	Weight
051010	3"	80	1000'	Standard	18	18 lbs

051074	5"	120	700'	Standard	12	19 lbs

Machine Film

Designed to work with most stretch film machines, CWC machine grade stretch film has unrivaled load-holding force and unparalleled puncture resistance. These stretch films are designed to provide enhanced protection for loads of all shapes and sizes.

Features:

- Great roll footage and high stretchability
- Exceptional cling and clarity
- Works with most stretch film machines

Disposable Gloves

Our disposable gloves provide broad-based protection from acids, alkalis and bases, while offering easy and economical protection. Great wet/dry grip and fits on either hand. A non-slip cuff makes on/off a breeze and provides resistance to roll down.

We offer nitrile, latex and vinyl gloves in a variety of mils, for a wide range of applications. If the item you need is not listed here, our product specialists can help you find the right solution for your needs.

Gloves sold 100 per box, 10 boxes per carton, unless noted otherwise.
