**Continental Western Corporation**

For over 60 years, Continental Western Corporation has provided customers quality products, timely delivery and outstanding customer service. To better serve your needs and become your one stop industrial supplier, CWC is proud to offer our **Glove and Safety Catalog**.

CWC has carefully selected the products in this catalog to ensure the highest value possible. Each item was chosen for its performance and durability. CWC continues to deliver the highest level of quality in the industry.

We take pride in the accurate and timely deliveries of our orders. CWC maintains substantial inventories at all seven warehouse locations. This enables us to begin the shipping process as soon as we receive your order. This means you can stock less, and depend more upon CWC to ship goods only when you need them.

CWC has a highly trained and knowledgeable sales staff, ready to serve you for all of your glove and safety product needs.

051401	30"	90	5000'	Cast	1	54 lbs

## Pallet Netting

CWC pallet netting is used to wrap items that require ventilation or need to cure and cool down before shipping. Strong netting provides excellent load-stability.

Baler net wrap also available.

Item #	Description	Width	Length	Weight
053251	Hand Grade Net	20"	3000'	10 lbs
053150	Machine Grade Net	20"	10000'	33 lbs
053310	Machine Grade Net	30"	10000'	38 lbs

## Monofilament PolyPRO

This durable, economical high-strength 3 strand polypropylene floats and offers good resistance to UV light, oil, rot, abrasion and most common chemicals.

Additional sizes, lengths & colors available. Truck rope, crab rope, hollow braid and diamond braid polypro cord also available.
